♡ Love Tips & Tricks

Tip 1

- Even if you repeatedly choose the same “Love Attack,” the love meter will not always increase.
- If the love meter increases after a Love Attack, you will hear a “Meow” sound.
- Try to use all 4 types of Love Attacks evenly.

Tip 2

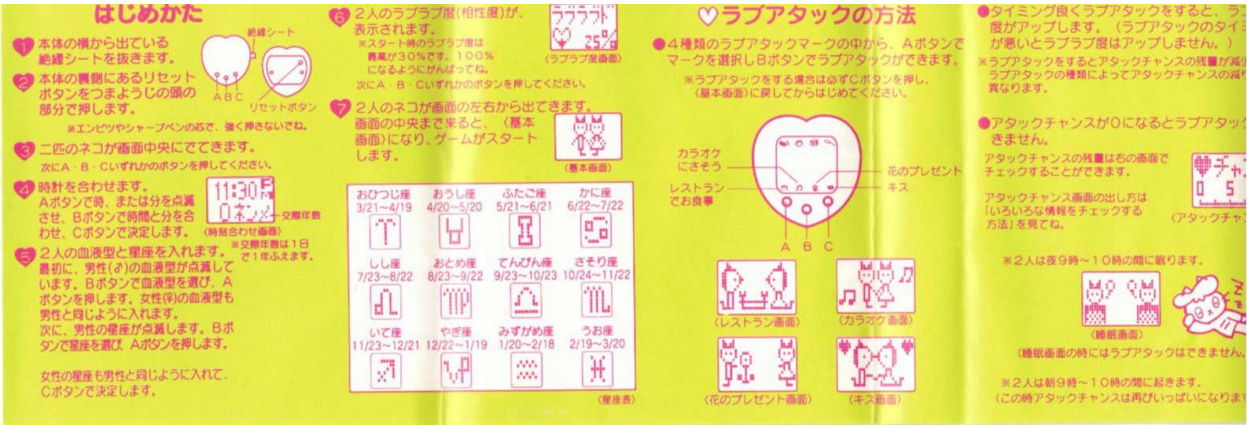
- If trouble occurs, and you leave it unattended, the love meter will rapidly decrease.
- Solve any troubles immediately to avoid a drop in love points.

How to Replace the Batteries

If the screen becomes dim, please replace the batteries as follows:

1. Remove the screw on the back of the device as shown in the diagram, and take off the cover.
2. Insert 2 button batteries (LR44), ensuring correct polarity (+ and -).
3. Push in the tabs on the battery cover, securely close it, and fasten the screw.

Note: Battery replacement should be done by an adult.



Getting Started

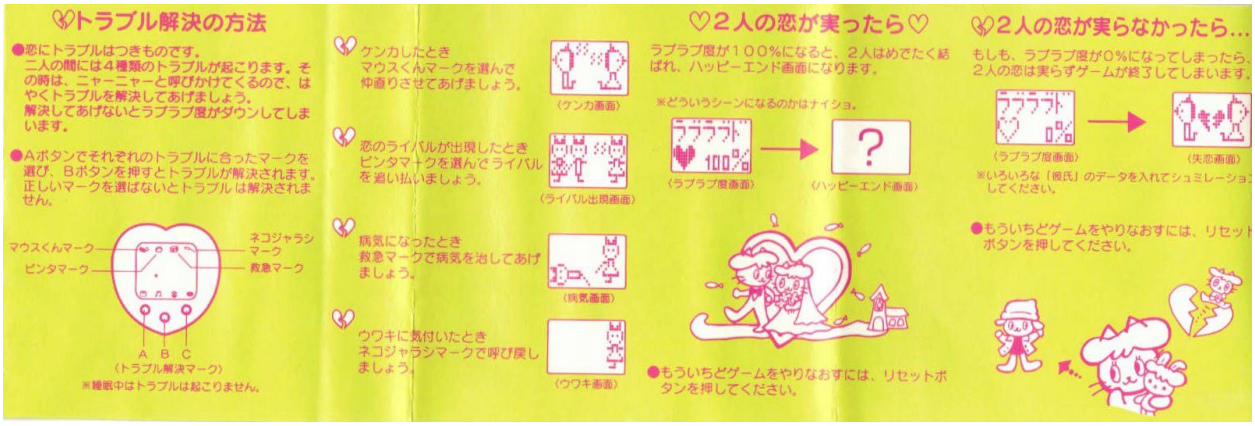
- Kiss

- Timing matters: If you perform a Love Attack well, the love meter will increase.
  - If you fail (e.g. the chosen Love Attack does not match well), the love meter will not increase.
- Attack Chances:
  - You cannot perform a Love Attack if your attack chances drop to 0.
  - The remaining attack chances are displayed on the Attack Chance screen.
- Sleeping Time:
  - The cats will sleep from 9 PM to 10 AM.
  - During this time, you cannot perform Love Attacks, but attack chances will recover.



♡ How to Resolve Troubles

- Trouble happens frequently in love.
  - There are 4 types of troubles that can occur between the two characters. When it happens, they will call out 'Meow-Meow,' so resolve the trouble quickly.
  - If you don't solve it, the Love Meter will decrease.
- Use the A button to select the appropriate mark for the trouble and the B button to resolve it.
  - If you select the wrong mark, the trouble will not be resolved.

Trouble Marks:

- Mouse Click Mark
- Pink Mark
- Emergency Mark
- Cat Chat Mark

Note: Troubles do not occur while the characters are asleep.

Types of Troubles and Solutions

1. When they are fighting
   - Select the Mouse Click Mark to help them make up.
2. When a rival appears
   - Select the Pink Mark to chase away the rival.
3. When one gets sick
   - Select the Emergency Mark to heal them.
4. When one starts to cheat
   - Select the Cat Chat Mark to call them back.

♡ If the Two Fall in Love

- When the Love Meter reaches 100%, the two characters will get married, and the screen will display a Happy Ending.
    - What kind of scene it will be is a secret!
    - If you want to play again, press the Reset Button.

♡ If the Two Do Not Fall in Love…

- If the Love Meter drops to 0%, the two characters will break up, and the game will end.
    - You can enter new ‘couple’ data and restart the simulation.
    - If you no longer want to play, press the Reset Button.
